Primary News

A word from Mrs Železinger

The school break has certainly paid off and the first week back has been buzzing with excitement about the new topics, activities and events. In Block 2 we celebrate the subject area of Humanities, including History, Art, Geography, Psychology and other areas also covered in primary Topics curriculum. Various activities and competitions will be organised for students across the school to reflect upon and discuss these areas.

I would like to thank the PTA and all the parents for a lovely breakfast prepared for staff this morning and for sharing the notes from students showing their gratitude and appreciation for their teachers.

This week was further devoted to one of our school values: Excellence. During the Primary Assembly, students learned about the story of Warrick Dunn, a former American football running back who played in the National Football League (NFL) and who set up various charities to help others. You can find out more information about him [here](#). Students thought and talked about what it means to strive for excellence, to do your best in everything (including things you may not like so much), to persist and not give up, to strive to be a better person.

'I can look in their eyes and see it. That's the best feeling I can have. ... I know I didn't affect their lives just today, but it carries on for years and years to come.' - by [Warrick Dunn](#)

Rest and be thankful. — by William Wordsworth

Year 2 have had a fantastic start to Block 2. Over the break, our class worked really hard at creating some projects about the environment and our planet. They have all thought carefully about ways we can protect and look after the world we live in, and this week

they had the opportunity to present their ideas to the rest of the class. Well done Year 2! What an exciting start to Block 2 and I look forward to the coming weeks.

Welcome to block 2 year 5! I loved hearing the children's interesting and descriptive stories of their holidays through their writing. This week children created their own countries which helped them explore what modern-day globalisation looks like when trading resources and exchanging different cultures.

The past few weeks Year 6 students have been focusing on sports. After playing many different games, developing their listening and speaking skills, the students have been creating amazing pieces of writing describing their preferences. I invite you to come to the middle school area and have a look!

Musical: *A Christmas Carol*, Wednesday, Nov. 27th, 4 pm

The Performing Arts Club, with members from Y2 to Y7, have been busy working on their lines and songs for *A Christmas Carol*. They are looking forward to sharing it with the school community in late November as part of the Block 3 focus on performing arts. Please mark your calendars! And if you're in the club, please watch this space for further updates and announcements regarding costumes or extra rehearsals.

Halloween Movie Night

Just in time for Halloween, the 6th form is putting on a haunted movie night during the month of Spooktober. Everybody is welcome! From the school's youngest members and all the way to the parents, everyone can find something to enjoy and be frightened by. Join us just before the end of the block, on the 29th of October, by purchasing tickets which are already on sale and available to purchase in the 6th form area. What are we watching? Well, that's up to you, the students! Over the course of the next couple of days, you will all have an option to vote for the movie you most want to see. There'll be popcorn, lemonade and other delicious snacks. So, get into the spooky spirit by joining us at the Halloween Movie Night.
