Primary News

A word from Mrs Železinger

The first block is moving forward fast and we are already at the end of week 4. Walking around the school today, it was fantastic to see the secondary students working together with primary students during the Mega Maths Morning activities and competitions.

The PSHE theme of the week has focused on awareness of developing Empathy for those around us and for our environment. Tomorrow 21st September is the World Clean Up Day in which 157 countries around the world are involved in cleaning our planet. You can find out more on how you can get involved on this website:

'The state of our surroundings, tells the conditions of our soul.' by— Lailah Gifty Akita

Mrs Železinger, Head of Primary

Departmental News

European Day of Languages

On the 26th of September, we are celebrating the European Day of Languages. It aims to promote the rich linguistic diversity of Europe and raise awareness of the importance of lifelong language learning for everyone. In BISL we will take this opportunity and raise the profile of languages in varieties of activities in Primary and Secondary school during Slovene and French lessons. Being able to learn in a multicultural environment is an advantage for everyone to appreciate their mother tongue as well as get to know a new language.

Miss Kotnik, MFL Department

C4C Clean Up Fun

Our first task in Primary C4C was to clean up our playground's litter. It was a unanimous decision after last week's first meeting, in which we decided what projects we would like to do this term. C4C feels very strongly about cleaning up our world, especially our seas and oceans.

Let's all participate in World Clean Up Day this Saturday the 21st of September 2019. Just go out and safely pick up litter wherever you are. Dispose of it properly and recycle where possible. Then, tell BISL about it. Every piece of litter counts!

Mrs Charlesworth
